Our Mission

Our mission is to create community, to nurture spiritual growth, and to act on our values to help heal the world. Nuestra misión es crear comunidad, fomentar el crecimiento espiritual y vivir nuestros valores para ayudar a sanar el mundo.

Our Eight Principles

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

1. The inherent worth and dignity of every person;
2. Justice, equity, and compassion in human relations;
3. Acceptance of one another, and encouragement to spiritual growth in our congregations;
4. A free and responsible search for truth and meaning;
5. The right of conscience, and the use of the democratic process within our congregations and in society at large;
6. The goal of world community with peace, liberty, and justice for all;
7. Respect for the interdependent web of all existence of which we are a part;
8. Building a diverse multicultural Beloved Community by our actions that accountably dismantle racism and oppressions.

March Generosity Offering UU Justice Ministry of California

Throughout the month of March our offering is being received in support of the UU Justice Ministry of California (UJMCA). Their mission is to advance justice in our state by cultivating and connecting leaders and communities, and by empowering the public voice of those who share UU values and principles. In April, UJMCA will be partnering with Casa de Luz and UU Refugee and Immigrant Services and Education (UURISE) to offer a border pilgrimage and home build. Our offering will go towards the supplies needed to build a home for a family in Tijuana. You can learn more about the pilgrimage [HERE](#). You can donate at church or on our [website](#), under gift designation select "Generosity."

Journey Toward Wholeness (JTW) What Can I Do?

"The often misunderstood legacy of the Black Panther Party"

In the 1960s civil rights movement, some concluded that non-violence and the focus on integration had failed — their cry was "Black Power" rather than "We Shall Overcome." One of the most prominent of these groups was the Black Panther Party, and it was also one of the most misunderstood and vilified by the white establishment. Watch this excellent ten-minute clip from the PBS Newshour at:

Climate Action: Get Rooftop Solar Growing Again

Bowing to lobbying by for-profit utilities, the CPUC gutted California's net metering rules in 2023, resulting in less affordable rooftop solar. Now rooftop solar starts are down over 77% and 17,000 solar jobs have been lost. State legislators are pushing back with a suite of bills which would get rooftop solar growing again. Learn more and ask your state legislators to support these bills [HERE](#).
