Our Eight Principles

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

1. The inherent worth and dignity of every person;
2. Justice, equity, and compassion in human relations;
3. Acceptance of one another, and encouragement to spiritual growth in our congregations;
4. A free and responsible search for truth and meaning;
5. The right of conscience, and the use of the democratic process within our congregations and in society at large;
6. The goal of world community with peace, liberty, and justice for all;
7. Respect for the interdependent web of all existence of which we are a part;
8. Building a diverse multicultural Beloved Community by our actions that accountably dismantle racism and oppressions.
