### Our Mission

Our mission is to create community, to nurture spiritual growth, and to act on our values to help heal the world. Nuestra misión es crear comunidad, fomentar el crecimiento espiritual y vivir nuestros valores para ayudar a sanar el mundo.

### Our Eight Principles

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote:

1. The inherent worth and dignity of every person;
2. Justice, equity, and compassion in human relations;
3. Acceptance of one another, and encouragement to spiritual growth in our congregations;
4. A free and responsible search for truth and meaning;
5. The right of conscience, and the use of the democratic process within our congregations and in society at large;
6. The goal of world community with peace, liberty, and justice for all;
7. Respect for the interdependent web of all existence of which we are a part;
8. Building a diverse multicultural Beloved Community by our actions that accountably dismantle racism and oppressions.

### A Special Invitation: Mid-Year State of the Congregation Sunday, January 28, 1 pm, Meeting House

Dear Members and Friends of First Unitarian Universalist Church of San Diego,

My sincerest wishes for a Happy Holiday Season and a Happy New Year for all of you! It is my honor and joy to serve as the President of your Board of Trustees. I am especially blessed that my term as President started half way through our 150th anniversary year. This year was also the Quinceñera of our South Bay Campus.

We've had a difficult few years and faced many challenges including a global pandemic. This year saw the start of the second year of Rev. Justine Sullivan as our Developmental Minister. We also hired Rev. Kristen Kuriga as our Assistant Minister. We joyfully welcomed her back among us in her new capacity as part of our ministerial staff. We have much to celebrate and we also have much to look forward to in the future.

Our first ever mid-year "State of the Congregation" is an opportunity to check in with each other. We also have decisions to make which includes voting on a proposed Constitutional Amendment. I hope that as many of you who can, will join us in person for our State of the Congregation congregational meeting. We will meet in the Sanctuary and we will also livestream the meeting for those who can't attend in person. Join us for lunch after the service then join us for our mid-year gathering.

Wishing you all a blessed holiday and joyous new year. I look forward to seeing many of you at the Mid Year Gathering!

Sincerely,  
*Everardo F. Aguilar, President,*  
*First UU San Diego Board of Trustees*

## Social Justice

### Need a New Year's Resolution?

#### Save Our Groundwater!

Most U.S. irrigated farmland goes to feed animals, not people. It takes about 1,847 gallons of water to produce one pound of beef. Per the U.S. Department of Agriculture, per-person consumption of cheese has doubled since the 1980's. (Pizza, anyone?). Last year the average American ate 100 pounds of chicken. America's rapidly depleting groundwater supply is being drained to grow animal feed. Resolve to eat more plants. Cut back on beef, cheese and chicken to save our disappearing groundwater.

### Let the Tribal Rebels Yell!
