Front Street Weddings at First Unitarian Universalist Church offers packages for every size ceremony and budget. There is a \$500 *refundable deposit* for all weddings, in addition to the cost of the package.

Weddings conducted on the campus of First Church are officiated by a San Diego area UU Minister unless otherwise noted. Ministerial services include a planning meeting, a rehearsal and the wedding. Outside officiates may preside with pre-arrangement.

Our professional music staff is available to arrange for musicians (additional fees apply). Approval is required for outside musicians to use one of our pianos or the pipe organ.

Our professional Sound Technician is required and included for weddings that take place in the Meeting House or the Outside Patio. Additional sound tech hours may be arranged at a cost of \$65 per hour.

If you choose a wedding package, reception space is available and offered in four-hour blocks of time—please see separate brochure for more information. This includes time for room set up, decorating, festivities, and breakdown / clean up. If your wedding takes place at another location or time, reception space is available and includes the cost of a required Event Coordinator and custodial support. Information on reception options and our commercial kitchen are available at www.firstuusandiego.org

Do you have family coming in for your wedding?

Consider our church's Bed and Breakfast program. Members of First Unitarian Universalist Church of San Diego offer reasonably-priced lodging and a continental breakfast in their homes for short-term stays (2-7 days), with all proceeds benefiting the church.
